ROBOT SCORING ASSESSMENT

To qualify for a specific level, ROBOTS must meet the following conditions:

- Level 1: ROBOT is not touching CARPET or TOWER BASE
- Level 2: ROBOT's BUMPERS are completely above the LOW RUNG
- Level 3: ROBOT's BUMPERS are completely above the MID RUNG

ROBOT must be contacting at least one RUNG and/or at least one UPRIGHT on their TOWER, and may only contact the following:

- TOWER WALL
- Support structure
- FUEL
- Another ROBOT

ROBOTS only earn LEVEL 1 points during AUTO, and a single level at the end of TELEOP.
